verse 1 (ca) Well dogs can do a lot of tricks
C
Like playing dead and fetching sticks
G D
I've even heard of dogs that talk and sing.
G
And if you've got you one of those
C
Well, you could brag some I suppose
G D
But before you do, just let me say one thing...
G
verse 2 (ca) Well, there's a flat nosed dog from South Carolina
C
and there ain't one in the world no finer.
G D
I can tell you friends that dog's a sight to see:
G
He don't play dead and he don't fetch sticks
C
But he can do a miracle trick
G D
Believe it or not that dog can climb a tree!
